Photography and videography as a hobby or profession are currently increasing in Medan, North Sumatera. It can be marked by the emergence of a community of photography/videography in various types; Journalism, models, art, landscape, wildlife. Campaign activity on Environmental issues can be improved with the involvement of activists of photographer or videographer in North Sumatera.

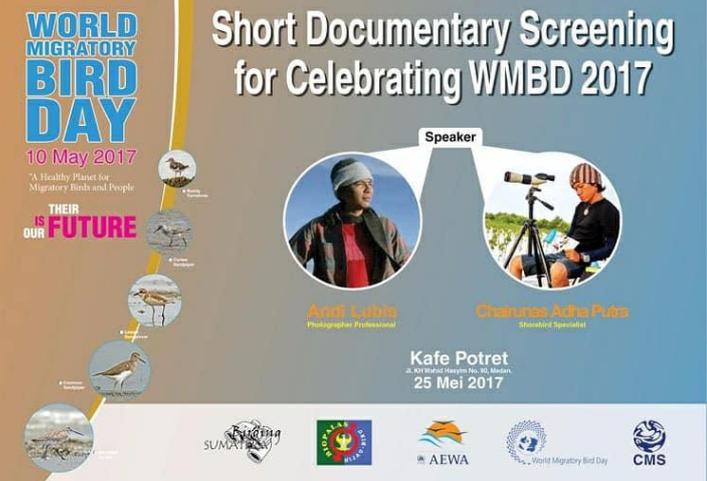

We are committed together to campaign the conservation of migratory birds especially shorebird and their habitat in Eastern Coast of North Sumatera Province. We encourage local governments to propose Deli Serdang District as conservation areas for migratory shorebirds.
